

Nutritional Guide

We source our lollies from quality wholesalers across Australia. There are many different products in our range, however this is our most popular, mixed lollies.

Storage conditions: Store in a cool dark place, preferably in a food grade airtight container.

Directions for use: Consume within 7 days of opening.

All of our packed lollies come with a 'Best before' and 'Lot identification':

Best Before: MM / 20YY

Lot identification: Batch XX/2025
